

# Response from Candidate Susan Wynne

	Yes	No
1. Do you think it important to protect and preserve the local open natural green environment for future generations?	YES	
2. Do you understand Council is a manager of the Crown Land Reserves in the municipality and that these reserves are owned by all residents of NSW?	YES	
3. Would you support increasing the built environment in the municipality's Crown Land Reserves?	YES	NO
4. Do you keep abreast of current research on environmental issues? If so how do you do that?	YES	
5. The Bi-Centennial Coastal Cliff Walk is a local Heritage item, would you support an application for it to be placed on the State Heritage Register?	YES	
6. If elected a Woollahra Councillor would you advocate for a Greening policy with greater tree canopy and green cover across the municipality? If so how would you suggest this be implemented?	YES	
7. Do you consider preserving public views, and/or skylines and/or the night sky important. If so, how will you uphold their importance if elected a Woollahra Councillor?  <b>Enforce DCP to ensure reduced light spill in new developments, look at further protecting public view lines in terms of development applications.</b>		
8. Would you support Council using Council land and/or purchasing land specifically for formal organised sports use? <b>AS LONG AS IT IS APPROPRIATE FOR THE AREA</b>		
9. Which Ward in the Council area do you live in? <b>VAUCLUSE</b>
